CIVIL ENGINEERING

A modern approach with 'old school' foundations, experience, passion and 'can-do' attitude.

"We're proud to be maintaining the road networks across Sefton, Liverpool and throughout the North West."

CELEBRATING 50 YEARS

dowhigh.co.uk

Founded in 1975, **Dowhigh Limited** has grown into one of the largest independent public works and civil engineering companies in the region.

Based in Liverpool, with satellite depots across the North West, we combine the ethos and personal touch of a family-run business with the expertise and capability to compete on a national scale. In an industry dominated by PLCs and consortiums, we stand out through our commitment to quality, innovation, and customer-focused service.

At Dowhigh Limited, we embrace a **modern approach built on old-school foundations**—blending experience, passion, and a can-do attitude. Our hands-on professional management and strong leadership drive our reputation for delivering excellence.

We are a trusted partner for both local authorities and private companies, providing **specialist road and infrastructure expertise**, including:

- ✓ Highways maintenance & surfacing
- ✓ Drainage solutions
- ✓ Earthworks
- ✓ Footpaths & cycleways

Proudly serving over 20 local authorities across the North West, we continue to set the standard for quality and reliability in public works.
